

LANDLORD LETTER OF PERMISSION FOR SERVICE INSTALLATION

Lafayette City-Parish Consolidated Government/LUS is hereby granted access to any current or future tenant(s)/lessee(s) of the property(properties) located at _____ in Lafayette, Louisiana, or at any addresses listed on the additional sheet, and all telecommunications closets and associated facilities (including, but not limited to, raceways, power outlets, telecommunications racks, etc.), as more fully shown on any exhibits to follow.

This access is granted for the purpose of providing telecommunications and advanced services within the specified building(s). Access shall be permitted until such time as LUS ceases to provide telecommunications and advanced services within said building and for such additional time as may be necessary for LUS to remove its facilities from said building after LUS no longer provides such services.

I have the authority to sign this Letter or Permission and authorize installation of LUS Fiber services at the address(es) listed by Lafayette City-Parish Consolidated Government d/b/a LUS Fiber or their authorized service provider.
